Azimuth ASD Tug Course

COURSE DESCRIPTION

Embark on an exciting journey of learning and skill enhancement with Maritime & Safety Training's Azimuth ASD Tug Course!

Led by the esteemed tug master and owner/operator of Bollinger Marine, Mitch, this course offers unparalleled insights and hands-on experience in tug operation.

Set against the backdrop of our state-of-the-art Newcastle Centre of Excellence, this comprehensive course blends face-to-face theory sessions, cutting-edge simulator training, and practical sessions aboard the Vital Azimuth ASD Tug.

Gain expertise in azimuth tug handling and master manoeuvring techniques under the expert guidance of industry professionals.

Don't miss this opportunity to elevate your skills and advance your career in the maritime industry!

This course is designed for students who have achieved AMSA (Australian Maritime Safety Authority) requirements for Master up to 24 metres NC Certificate of Competency.

ELIGIBILITY/ENTRY REQUIREMENTS

Master up to 24 metres NC Certificate of Competency.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, and Numeracy (LLN) evaluation helps identify any areas where you may require additional support to help you achieve your goals.

Due to physical requirements of this qualification the Learner must be physically fit.
