

MAR10224

Certificate I in Maritime Operations

(General Purpose Hand Near Coastal)

Course Description

This qualification applies to people working in an entry level position in the maritime industry as a General Purpose Hand under general supervision of the master or engineer of a commercial vessel to:

- assist as a general hand on deck or in the engine room of a commercial vessel length as specified in Marine Order 505 within the exclusive economic zone (EEZ)
- assist as a general hand in the engine room only for a vessel with propulsion power as specified in Marine Order 505.

Licensing/Regulatory Information

This level of qualification is currently cited as meeting some of the requirements for certification as a General Purpose Hand Near Coastal as specified in Marine Order 505 (Certificates of competency - National law) 2022. AMSA Certification will require:

- achieving [MAR10224](#) Certificate I in Maritime Operations (General Purpose Hand Near Coastal),
- qualifying sea service on a commercial vessel as specified in Marine Order 505 and
- holding a current First Aid Certificate as specified in Marine Order 505.

Seafarers seeking certification should check with AMSA.

MAR10224 CERTIFICATE I IN MARITIME OPERATIONS

(General Purpose Hand Near Coastal)

SELECTION CRITERIA

Minimum 16 years of age

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, Numeracy and Digital (LLN+D) evaluation helps identify any areas where you may require additional support to help you achieve your goals.

Due to the physical requirements of this unit the student must have the ability to perform significant tasks consistent with maritime operations in and on vessels and be physically fit.

Students will be required to provide their own digital devices, able to access reliable internet and have video recording capabilities to record and submit assessment.

Including access to:

- Internet access through Google Chrome or other internet browsers
- MS Word, MS PowerPoint or equivalent applications
- Adobe Acrobat Reader

Reading and writing - a learner will be able to read, comprehend and write a range of texts within a variety of contexts.

Oral communication - a learner will be able to use and respond to spoken language including some unfamiliar material within a variety of contexts.

Numeracy and mathematics - a learner will be able to recognise and use a variety of conventions and symbolism of formal mathematics.
