

MAR20324

# Certificate II in Maritime Operations

## (Coxswain Grade 1 Near Coastal)

### Course Description

This qualification applies to people working in the maritime industry seeking an Australian Maritime Safety Authority (AMSA) certificate of competency of Coxswain Grade 1 Near Coastal. Duties and functions include:

- command, and operate the engines, of a vessel up to 12 m long in inshore waters, or in waters designated for a specific purpose by a State or Territory authority in which it permits holders of this certificate to operate, subject to any conditions that it may impose; and with propulsion power up to 500kW for an inboard engine or unlimited for an outboard engine
- command, and operate the engines, of the vessel up to 12 m long as a tender within 3 n mile of the parent vessel within the Exclusive Economic Zone (EEZ); and - with propulsion power up to 500kW for an inboard engine or unlimited for an outboard engine
- act as chief mate or deck watchkeeper on a vessel up to 24 m long in inshore waters
- undertake the duties and perform the functions of a General Purpose Hand NC, a Coxswain Grade 3 NC and Coxswain Grade 2 NC

This qualification is required to obtain an AMSA certificate of competency as a Coxswain Grade 1 NC as specified in Marine Order 505.

AMSA certification will require:

- achieving [MAR20324](#) Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal),
- short range operator Certificate of Proficiency issued by ACMA (or higher qualification),
- qualifying sea service as specified in Marine Order 505,
- meeting the medical requirements specified in the Marine Order 505 and
- passing final assessment specified in Marine Order 505.

Seafarers seeking certification should check with AMSA.

## SELECTION CRITERIA

Minimum 16 years of age

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, Numeracy and Digital (LLN+D) evaluation helps identify any areas where you may require additional support to help you achieve your goals.

Due to the physical requirements of this unit the student must have the ability to perform significant tasks consistent with maritime operations in and on vessels and be physically fit.

Students will be required to provide their own digital devices, access reliable internet and have video recording capabilities to record and submit assessment.

Students must have access to:

- Internet access through Google Chrome or other internet browsers
- MS Word, MS PowerPoint or equivalent applications
- Adobe Acrobat Reader

Reading and writing - a learner will be able to read, comprehend and write a range of texts within a variety of contexts.

Oral communication - a learner will be able to use and respond to spoken language including some unfamiliar material within a variety of contexts.

Numeracy and mathematics - a learner will be able to recognise and use a variety of conventions and symbolism of formal mathematics.

## DURATION AND MODE OF TRAINING

Training and assessment is offered through a blended model consisting of self-paced learning and practical block training. Students have 12 months from commencement to complete the course, and can progress at their own pace.

Structured self-paced online via our learning platform:

- From 7-10 hours per week
- Note all self-paced theory must be completed before students are able to book in for their practical placement. Once theory has been completed you will be provided with dates for upcoming practical blocks.

Face to face classroom:

- 24 days broken down into blocks of 4 weeks, 6 days per week for 7 hours per day 830-430, including breaks.
- Block 1: Elements of shipboard safety units
- Block 2, 3, 4: Remaining units

Face to face blocks are scheduled throughout the year, students can book in to complete all required blocks at once, or attend a block at a time.

## COURSE FEES

- Payment 1 - \$990 - Elements of Shipboard Safety skillset (ESS)
- Payment 2 - \$2,490 - remaining units
- Total = \$3630, includes non-refundable administration fee

## ADDITIONAL FEES

In addition to your course fees, students are required to complete two mandatory assessments set by the Australian Maritime Safety Authority (AMSA):

- Long Range Operator Certificate of Proficiency (LROCP): \$290
- AMSA Mandated Practical Assessment (AMPA): \$490

## ASSESSMENT

Modes of assessment include:

- written assessment
- Observation skills assessments
- Oral assessments

## RESOURCES

- All courseware and handouts are provided
- Students are required to bring their own device to practical training (laptop, ipad, tablet)

## PRACTICAL LOCATION

Suite 2, Level 1/97 Hannell Street Wickham, NSW 2293

## UNITS OF COMPETENCY

HLTAID011	Provide First Aid
MARB027	Perform basic servicing and maintenance of main propulsion unit and auxiliary systems
MARC037	Operate inboard and outboard motors
MARC038	Operate main propulsion unit and auxiliary systems
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
MARF060	Apply basic survival skills in the event of vessel abandonment
MARH013	Plan and navigate a passage for a vessel up to 12 metres
MARI003	Comply with regulations to ensure safe operation of a vessel up to 12 metres
MARJ006	Follow environmental work practices
MARK007	Handle a vessel up to 12 metres
MARN008	Apply seamanship skills aboard a vessel up to 12 metres

The RTO reserves the right to change the units within this training as required

Please refer to the Enrolment Form, for the terms and conditions of enrolment, which includes: Enrolment and Selection; Training Guarantee; Course Fees, Payments and Refunds; Course Fees paid in Advance; Recognition of Prior Learning (RPL) or Credit Transfer

## RECOGNITION OF PRIOR LEARNING

All individual students are offered the opportunity to apply for RPL, please see the Student Handbook or enquire at the RTO for the procedure on how to apply.
