MARSS00008 SHIPBOARD SAFETY SKILL SET

SELECTION CRITERIA

Minimum 16 years of age

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, Numeracy and Digital (LLN+D) evaluation helps identify any areas where you may require additional support to help you achieve your goals.

Due to the physical requirements of this unit the student must have the ability to perform significant tasks consistent with maritime operations in and on vessels and be physically fit.

Students will be required to provide their own digital devices, able to access reliable internet and have video recording capabilities to record and submit assessment.

Including access to:

- Internet access through Google Chrome or other internet browsers
- MS Word, MS PowerPoint or equivalent applications
- Adobe Acrobat Reader

Reading and writing - a learner will be able to read, comprehend and write a range of texts within a variety of contexts.

Oral communication - a learner will be able to use and respond to spoken language including some unfamiliar material within a variety of contexts.

Numeracy and mathematics - a learner will be able to recognise and use a variety of conventions and symbolism of formal mathematics.
